The Records Production and Copying Policy is effective January 1, 2017, and supersedes any guidelines or policy for records production and copying which may have previously been in effect. The Records Production and Copying Policy is as follows:

- I. **Request for Books and Records:** Copies of the Association's books and records will be reasonably available to all Owners or a person designated in writing signed by the Owner as the Owner's agent, attorney, or certified public accountant ("Owner's Authorized Representative") upon proper request and at the Owner's expense. A proper request:
 - a. Must be sent by certified mail to the Association or the Association's authorized representative at the address as reflected in the Association's most recent management certificate as recorded in the Office of the County Clerk;
 - b. Must be from an Owner or an Owner's Authorized Representative (herein, the Owner and the Owner's Authorized Representative being collectively called the "Requestor");

- c. Must contain sufficient detail to identify the books and records of the Association being requested (herein the "Requested Records"); and

II. **Association's Response:** The Association shall respond to the Requestor's request in writing.

- a. **Request to Inspect:** Upon receipt of a proper request to inspect the Requested Records as outlined above, the Association will send written notice to the Requestor on or before ten (10) business days after the Association receives the proper request, and provide dates and times during normal business hours that the Requested Records will be made available for inspection by the Requestor (to the extent the Requested Records are in the possession, custody, or control of the Association and are not otherwise privileged and therefore protected from inspection). The Association and the Requestor shall arrange for a mutually agreeable time to conduct the inspection. If copies of the Requested Records are made at the inspection, the Association shall provide the Requestor with copies upon receipt of the cost thereof as described below.
- b. **Request for Copies:** If a request for copies of Requested Records is made, the Association shall send written notice to the Requestor on or before ten (10) business days after the Association receives the proper request advising the Requestor of the date that the Requested Records will be made available, and the cost that must be received by the Association before the Requested Records will be provided. Upon receiving payment for the Requested Records, the Association will produce the Requested Records to the Requestor by sending the Requested Records to the Requestor by regular U.S. Mail at the Requestor's address shown in the request, or upon written request, the Requestor may pick up the Requested Records from the Association's management company. The Association may provide the Requested Records in hard copy, electronic format, or other format reasonable available to the Association.
- c. **Additional Time:** If upon review of a proper request to inspect or copy documents, the Association determines it cannot comply with the request within ten (10) business days after receipt of the request by the Association, the Association shall send the Requestor a written notice (within such ten (10) business day period) that informs the Requestor that the Association is unable to produce the Requested Records on or before the tenth (10th) business day after the Association received the request and that the Requested Records will be produced for inspection, or copied and mailed (Subject to receipt of payment as set forth herein), as the case may be, on or before fifteen (15) business days from the date the notice is mailed to the Requestor.

d. **Materials:**

Actual cost of labels, boxes, folders, and other supplies used in producing the records, along with postage for mailing the records.

- IV. **Cost Reconciliation:** If the estimated cost provided to the Requestor is more or less than the actual cost of producing the Requested Records, the Association shall, within thirty (30) days after producing the Requested Records, submit to the Requestor, either an invoice for additional amounts owed or a refund of the overages paid by the Requestor. If the final invoice includes additional amounts due from the Requestor, the additional amounts, if not reimbursed to the Association before the thirtieth (30th) day after the date the invoice is sent to the Requestor, may be added to the Owner's account as an assessment by the Association.
